

Capability Statement

At The 3D Connectors, we are a trusted leader in additive manufacturing, and provide comprehensive solutions in the form of equipment sales and/or services. We offer equipment ranging from the hobbyist to industrial level, and can handle single piece drop ship orders to 3d printing farm and lab arrangements with on-site installation and maintenance packages. In addition, we have full 3d printing production capacity for metals and polymers on the most advanced 3d printing equipment available. We have a fully capable team with an extensive collective background in manufacturing and engineering, and take pride in our quality, innovative technology, and expertise. We look forward to working with you and are fully confident that we can and will deliver an amazing solution.

NAICS & PSC Codes

NAICS Codes

- 332999 Miscellaneous Fabricated Metal Product Manufacturing

CAGE Code: 75ZP4 - DUNS: 079423241

GSA Contract Number - GS-03F-033-GA

Schedule 36 - SIN 51 400 - 3D Printing Solutions

Company Snapshot

Gov. Business POC: John Hoffer

Phone: (706) 412-7004

E-Mail: john@the3dconnectors.com

Address: 4600 Touchton Road, Building 100,
Suite 150 Jacksonville, FL 32246

Work Area: Nationwide

Socio-Economic Designations:

- For-Profit Entity
- Small Business

Website: <https://the3dconnectors.com/>

Core Competencies

Solutions:

- √ Computer Aided Design (CAD)
- √ Additive manufacturing
- √ Prototype design manufacturing
- √ 3d Printing Service Metals/Polymers
- √ 3d Printing Equipment Sales
- √ 3d Printing Consumables Sales
- √ 3d Printing Lab/Farm Sales
- √ 3d Printing Maintenance
- √ 3d Printing Training
- √ 3d Printing Consulting
- √ Injection molding
- √ Mechanical and Industrial design
- √ Consulting
- √ Product Development
- √ Rapid Manufacturing
- √ Training
- √ Tradeshows
- √ Government
- √ CAD data migration
- √ Readiness assessments

Past Performance

Department of Commerce - 2017

Federal Acquisition Service - 2017

U.S. Geological Survey - 2017

U.S. Navy - 2017
