

Equipment Leasing & Financing Services

VFG Leasing & Finance can help 3D Connectors customers purchase a variety of machines and accessories.

Veteran owned Vision Financial Group, Inc. (VFG) is the leader in equipment leasing & finance for the C&I sector. VFG provides a wide variety of commercial loans, leases, and long-term rental lease financing options for 3D Connectors customers.

We view opportunities to fund capital equipment acquisitions in the Machine Tool Industry as occasions to help organizations become more competitive, increase efficiencies, and improve quality.

Why it's a smart idea to use equipment lease financing.

- ✓ Conservation of cash
- ✓ 100% Financing
- ✓ Preservation of Capital
- ✓ Hedge Against Inflation
- ✓ Improved Expense Planning and Business-Cycle Flexibility
- ✓ Regular Technology Updates
- ✓ Tax Considerations
- ✓ Relationships with Equipment Experts

Who We Are

VFG is a privately held, independent, full service general equipment leasing & financing company. We help empower our business partners to achieve their commercial objectives by creating affordable and flexible equipment leasing and financing solutions for the acquisition of most types of capital equipment, software, and services that businesses need to function and grow.

Whether your firm's decision to lease finance is driven by cash flow, tax and accounting benefits, budget constraints, working capital preservation, avoiding technological obsolescence, or simply out of convenience; lease financing is a commendable and smart method of equipment procurement.
